**Help for Ukraina
Magdalena Kwiecińska**

Appeal:

We, representatives of the charitable children's foundation " Podarui dytyni svit " care for and support families with children who have oncological, neurological, incurable, and other severe illnesses. We also support families experiencing financial difficulties, which leads to a constant need for hygiene products, food, specialized nutrition for children with special needs, and more.

Due to Russia's military aggression, funding for these needs is currently insufficient, and we are appealing to you for financial assistance in paying bills or purchasing and providing hygiene products, food, and specialized nutrition for families with children in need.

List of needs:

Hygiene:

- Children's diapers Haggies Elit Soft №1 - 2 packs (assuming 50 pcs per pack)

This list is compiled considering the monthly needs of families. All the mentioned children belong to the category of people with special needs, children who need treatment, and children from single-parent families. Therefore, their assistance is very much needed and important.

We would also like to note that children and families need food, but we are not sure if we have the right to ask you for such help. Please pay attention to this additional need.

We are grateful in advance for your care and concern for our children.

Best regards,

CEO Charitable Children's Fund "Podarui dytyni svit"

Svitlana Fedorova
